

Cricket Club Pavilion Flooring

I am very please to let you know that the Cricket Pavilion floor has been re-tiled and is now looking very smart. After some 15 years it was looking battered and scruffy. With a grant from East Herts council, a contribution from Stocking Pelham Parish Council, a further contribution from the Parish Lunch (what a wonderful village event that was!), donations from some cricketers, and a donation from the Pre-school all added up to the bulk of what was needed.

The Recreation Ground (Cricket Field) is of course owned by the village and the Parish Council are the trustees. The pavilion is there for all to enjoy, the Cricket Club is the main user and of course maintains the building and the field.

A big thank you to all who have contributed and when the cricket team is at home do come along to enjoy the atmosphere and have some tea with the players. All are welcomed and the last match of the season is on Sunday September 8th where you can see the new blue carpeting.

On a cricketing note, the club has had a very successful season in putting out a team for each arranged fixture and even winning the occasional game! As a club we are proud of the fact that with so many clubs folding our little village continues to keep the tradition going.

There are not many better places to be on a warm summer's afternoon than our cricket field so come along for tea, it's normally at about 4.30pm.

David Nicholls
