

### **Help During the Current Covid Crisis**

There is help available for those who are vulnerable or facing hardship, so whether it's you or someone you know in need, Herts Help can provide help in a variety of different ways.

Herts Help : 0300 123 4044, [www.hertshelp.net/winter-health.aspx](http://www.hertshelp.net/winter-health.aspx) , [www.hertshelp.net](http://www.hertshelp.net), or email [info@hertshelp.net](mailto:info@hertshelp.net)

There are many services available, so if you believe you need help the first step is to contact Herts Help or try a neighbour or The Parish Council.

We need to look out for each other, and we are fortunate to live in a small village where we pretty much know everyone.

There is also a scheme run in conjunction with Clarion Housing to help those less fortunate who do not have access to the internet, which is vital during this period. Help includes, in some cases, to provide computer hardware, how to start up plus training on the software. Please contact: [stuart.izzard@cdaherts.org.uk](mailto:stuart.izzard@cdaherts.org.uk).
